The following questions relate to PG&E's July 26, 2022 response to the Revision Notice For Pacific Gas And Electric Company's 2022 Wildfire Mitigation Plan Update issued by Energy Safety on May 26, 2022 (hereinafter, PG&E's response to the revision notice).

**QUESTION 02**

For questions 2 and 3, please refer to the definitions of HFTD areas above. If you have any questions about these definitions, contact the originators of this data request. Note that the HFTD areas are defined to be both mutually exclusive and exhaustive. Therefore, in the tables below, the systemwide total for each time period should equal the sum of the cells in that column.

- a) Please complete Table 2a below, including only ignitions related to underground distribution lines.
- b) Please complete Table 2b below, including only ignitions related to overhead distribution lines.
