Support for Public Safety Power Shutoffs

April 2024

For your safety, we may need to turn power off to help prevent wildfires when risk is high. This is a Public Safety Power Shutoff (PSPS). We understand that food loss is challenging during an extended power outage. That is why we partner with local food banks to provide food replacement during and after a PSPS. To find a food bank near you, please see the below table* or visit pge.com/pspsresources.
